City To Go On Trial

 City Attorney Findley stated that he had no report on Prairie Avenue and also that he had been unable to get in touch with the County Auditor with reference to matter of tax rate in Lomita, and also he reported that a suit had been brought against the City of Torrance for an accident on Redondo Boulevard and Maple Avenue and he had filed demurrers which had been denied, and the case would have to be considered on evidence.
 Councilman Smith reported concerning police protection requested at Walteria and the Hollywood Riviera that together with the Chief of Police he had endeavored to make an investigation but had not been able to meet some of the interested parties.

To Register Workers Here
 Mayor Dennis reported that the Directors of the Metropolitan Water District would send a man to the City Hall on Saturday or each week to conduct the registering of men desiring work. Registration is expected to commence next Saturday. However, the Mayor stated he believed there will be no work before May 1st, 1932, and that the registration would be based upon the ratio of assessed valuation instead of on population.
 City Engineer Leonard reported on improvement of Vista Highlands District and called attention to the fact that the Los Angeles School District owns two entire blocks within the District and there was a question of whether the School Board would favor paying their part of the costs of

 Clara Bow, film red-head, can't seem to make up her mind what she wants to do. On the eve of her comeback to the films after a nervous breakdown, she started, returned from a trip to New York followed by rumors of a quarrel with her boy-friend, Rex Bell. What will she do?—if anybody cares!

THERE'S A LIMIT
 IDAHO FALLS, Ida.—(U.E.)—There was a limit, Mrs. Theo. Hansen stated in her divorce complaint, and in this particular case, it came when her husband allegedly compelled her to reside in a chicken coop during the exceptionally cold winter of 1930-31.

such improvement. Councilman Steiner suggested City Engineer be instructed to take this matter up with the School Board and it was so ordered by Mayor Dennis.

Peace Service Next Sunday At Riverside Declared Impressive

LOMITA—If you wish to see a beautiful service, drive to Mt. Rubidoux at Riverside Sunday and attend the peace service at sunset. In 1909 the first Easter sunrise service was inaugurated at Mt. Rubidoux and on Armistice Day, 1919, Frank A. Miller of the Mission Inn, inaugurated the first peace service.
 Every year since on Armistice Day the setting sun has gleamed on the flags of many nations at the foot of the cross at the top of the mountain. Because many people who want to attend these peace services have to take part in programs elsewhere on Armistice Day, this year the services will be held on the Sunday afternoon preceding Armistice Day.

Norman Gardiner To Again Command Vets

LOMITA—Norman Gardiner will again serve as commander of Lomita Post, Veterans of Foreign Wars. James Hathaway has been elected senior vice commander; Claude Knaggs, junior vice commander; William Straub, chaplain; Howard Boss, quartermaster; Carl Stahnke, post adjutant, and T. C. Erickson, officer of the day. The officers-elect will be installed November 10 in a joint installation with the newly elected officers of the Auxiliary.
 Following the election, October 21, a chicken feed was enjoyed. Claude Knaggs and his mother, Mrs. Rogers, having provided the thoughtful treat. The Scouts, jubilant over their victory over the previously undefeated Long Beach Scouts in indoor baseball, joined the vets to participate in the chicken feed.

Special Offer Made By Graham Brothers On Master Cleaning

As a means of acquainting residents of Torrance and vicinity with master cleaning, pressing and dye work, Graham Brothers, at 1065 Gramercy avenue, are setting the period for tomorrow, November 6, to November 21, for special prices on all work. Sharp reductions have been made in cleaning and pressing so that this "get-acquainted" period may be an inducement to the public to learn Graham Brothers' services.
 The Grammas have been in business here for the past three years and have consistently advanced their industry by offering exceptional wearing apparel renovation service. They say that the special offers, as advertised in today's Herald, are in no way "cut prices" with resultant cheapened workmanship—but that the offer is made to acquaint more people with their work. They want to prove what Master cleaning and pressing is, and ask Herald readers to study their advertisement carefully in this issue.

Court Becomes "Ring" In Fight Trial Tuesday

LOMITA—Fight fans "tuned in" at Judge Dennis' court Tuesday afternoon when the case of J. F. Jones against Biri Barnett on a charge of assault and battery was tried, every seat in the courtroom being occupied.
 The two men, neighbors on Poppy street, engaged in a fight Saturday morning which started in the street in front of their homes, progressed to a vacant lot across the street and ended on neutral territory, the yard of Gilbert Alkman.
 Objections on the part of Attorney J. R. Jensen, representing Jones, to any attempt on the part of Attorney Perry Briney, attorney for Barnett, to bring in evidence in regard to the ill feeling leading up to the fight, which is said to involve domestic difficulties between Mr. and Mrs. Jones, were sustained by the court. The case was decided on the fight alone which was verbally re-nacted with lively sparring between attorneys and between attorneys and witnesses. The verbal sparring brought many a laugh from the courtroom and the judge was obliged to repeatedly rap for order.
 The case closed long after 5 o'clock. Referee Judge Dennis ruled that the battle was a draw and found the defendant, Barnett, not guilty.

LOMITA Briefs

The Lomita P. T. A. held a successful silver tea Tuesday afternoon at the home of Mrs. Gertrude Boyle.
 Tonight the Amaranth meet in regular session is to be followed with a social time with Mrs. L. J. Hunter, chairman.
 The telephone operators' Sunshine club held a Halloween dance Friday night at Odd Fellows hall. This is an annual affair with the girls, and the proceeds are used to fill the Christmas baskets which the girls send out each year to families in need.
 Nine to 8 with Lomita on the short end, was the score of Sunday's game. Roy Benson will be out of the game for some time.  the Nelson home. "That closing bell rings too soon—you just get started and then you have to stop!"
 —And that's the way they all feel. Principal Mowry says any resident of Torrance can enroll in any of the classes at any time. It is mostly all individual work. Why not see him any Monday, Wednesday or Thursday night, from 7 to 9 o'clock and get full information about the classes. There is no tuition charges, only returnable deposits for books and the cost of material used.

TO INVESTIGATE DOUBLE LIGHTING TAX COSTS

City Attorney Don Findley is to see County Auditor Payne during the next few days to find out how taxpayers in South Torrance can be saved from paying a double lighting bill. South Torrance was charged 38 cents per 100 assessed valuation for participation in a county lighting district when the territory was legally a part of Torrance, and was charged with the municipal tax which included light expenses.

REDONDO PIER BONDS LOSE IN ELECTION TUES.

Although given a majority vote, the \$200,000 pier bonds failed to get the necessary two-thirds approval of Redondo Beach voters Tuesday. The vote was 1111 for the bonds; 895 against. The bonds were to have been sold for the purchase of the privately-owned Monstad fishing pier. Redondo was then to operate the pier as a municipal enterprise. A vigorous campaign was carried on for and against the bonds previous to the election.
